

LEADING IN TIMES OF CHANGE

A highly **interactive and collaborative** online event presented by

Limelights

We are delighted to invite you to **'Leading in times of change'**, a 2 hours interactive virtual workshop plus a bonus of 30 minutes networking session, where you will all have the opportunity to both connect and work on your challenges as leaders in today's changing world in a highly interactive and participative format using latest online collaborative tools.

Together we will share knowledge, define your challenges, co-create what it means to be a leader in 2021 and unleash the momentum you need to implement in your organisation. It will be fun, engaging and time will fly! As we are now living in a more remote working era, we have invited specialists in Virtual Facilitation, Sustainability and Leadership & Development to facilitate the session for you.

What is in it for you? A co-creative session with peers, connecting you with leaders from around the world to define your unique challenges and create tangible ideas for action.

'Leading change' delegate pack awaits for you

We will send you your 'Leading change' delegate pack once you register
